Vedic Line Alpha Whitening Cosmetics

- **Alpha Cleansing Scrub**

Unique cleanser, which has quality of exfoliation.

To use – Gently rub on wet skin for 2 to 3 minutes. Clean it with a warm wet towel.

- **Alpha Massage Cream**

Stimulates skin & activates renewal of cells.

To use – Massage with right strokes & pressure.

- **Alpha Whitening Pack**

Hydrates skin & balances blood circulation.

To use – Apply it on moist skin. Clean it, when semi dry.

- **Alpha Whitening Cream**

(De- Pigmentation Cream)

Rich compound, whitens complexion by melting extra melanin. Detoxifies & strengthens cells. Daily use gives even colour to skin.

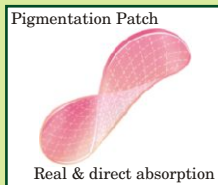

To use – Apply it on clean & moist face, so it gets penetrated.

Vedic Line Alpha Whitening Cosmetics

- **Pigmentation Patch**

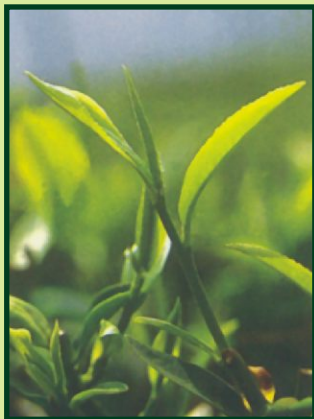

Restores normal colour of skin by reducing extra melanin from the affected area. Visible results in 2 to 3 weeks.

To Use – Clean the face. Remove Patches from the packet & place them tightly on affected area with plain side touching skin. Patch should not slip. Remove it, when it becomes absolutely thin, may take 30 to 50 minutes. Slightly massage on affected area with essence from the packet.

Due to Sun's strong rays, direct heat on face, stress, wrong use of cosmetics or internal imbalances, skin's cells get stimulated & produce extra melanin. This leads to formation of pigmentation. Vedic Line Alpha Whitening products help in dissolving accumulated melanin, so fresh blood & oxygen take it's place.

Alpha Whitening Products are free from bleach & ammonia. They have extracts of Green Tea, which helps to reduce stress & tension.

Alpha Whitening Facial & Skin Care at home can be done without use of Patch. Pigmentation Patch is advised for quick results.

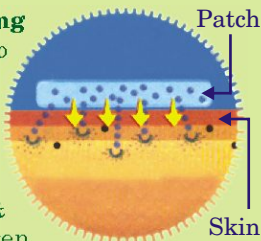

We have developed, a beauty salon facial for pigmented skin, which can be done once in 10 to 15 days in the salon. But, it is necessary to have regular skin care at home for satisfactory results. Those wanting to have special treatment, must use Pigmentation Patch at home.

Guidance for Skin Care at home

Cleaning	Orange Cleansing Syrup	Daily
Fading pigmentation & spots	Pigmentation Patch (Special treatment at home)	Begin with, using one Patch Pack every alternate day. After 5 to 6 applications, apply it daily, till pigmentation is cleared. It can be applied during any time of day.
Giving even colour to skin	Alpha Whitening Cream	Daily, at night. Apply it, after spraying Toner.
Protecting	Fig & Honey Moisturizer	According to need

Vedic Line **Alpha Whitening Cosmetics** are based on two Technologies:

1. **Advance Technology** – With Green Tea whitening products, which have antioxidants, mulberry & rice extracts. Gives even colour to face.

2. **Central Induction Technology** – With Pigmentation Patch, which melts on skin, due to body - heat. **Once inside skin, it covers entire affected area & gradually starts dissolving hyper pigmentation or melasma.** Made of botanical collagen & a new effective ingredient, Stay C- 50. Can reach lowest layer of skin & release effective ingredient with pressure.

Results are certain, but duration of treatment may vary from person to person, depending up on status of skin.
