Ayurveda suggests use of saffron, almond, marigold flowers, turmeric & sandalwood for benefits of gold, since they absorb golden rays of the Sun & have gold like benefit on skin. Beside these, Gold Ojas Cosmetics have gold dust, essential fatty acids, anti oxidants & vitamins, as approved internationally.

- According to International trend of using different shades of gold in cosmetics, Vedic Line has used them to bring out natural beauty of skin.
- Gold has hot properties & should be used cautiously on sensitive & acne prone skin.
- Be careful with sensitive skin. Scrub it only if needed & give light facial massage. Use Toner or distilled water along with beauty products.
